

# Hoosier Fix 2023 Report

Hoosier Fix is a 501(c)3 Non-Profit that provides free or reduced cost spay/neuter surgeries and vaccinations for dog and cat owners in Marion County, Indiana, and surrounding areas.

## When was Hoosier Fix (HF) created?

HF was created in September 2020 and became a 501(c)(3) in February 2021.

## Why is spay/neuter so important?

Spaying and neutering a cat or dog reduces the number of unwanted pets in shelters; decreases taxpayer costs (if publicly funded); improves pet health; reduces negative pet behaviors; and saves on the cost of pet care for owners and rescues/shelters. Our goal is to keep all pets with their families for their entire lives.

## How is HF different from other organizations?

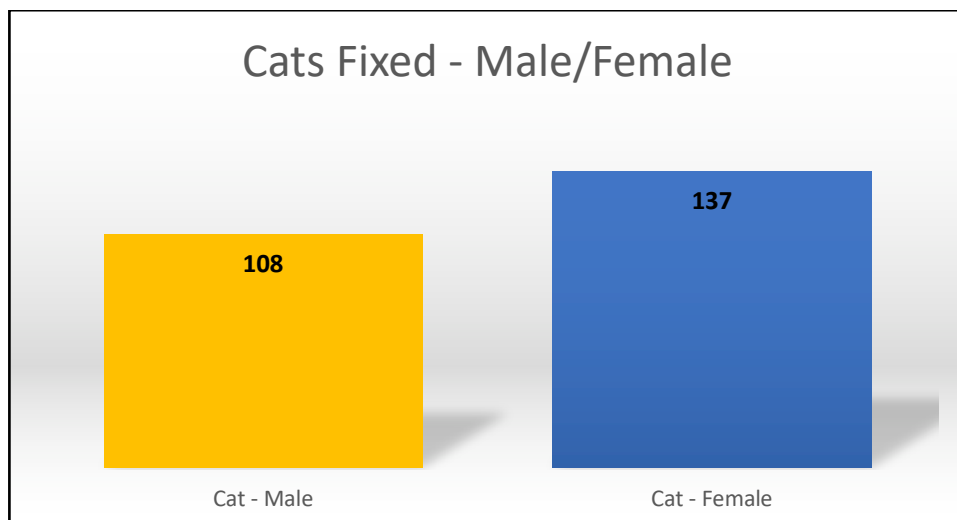

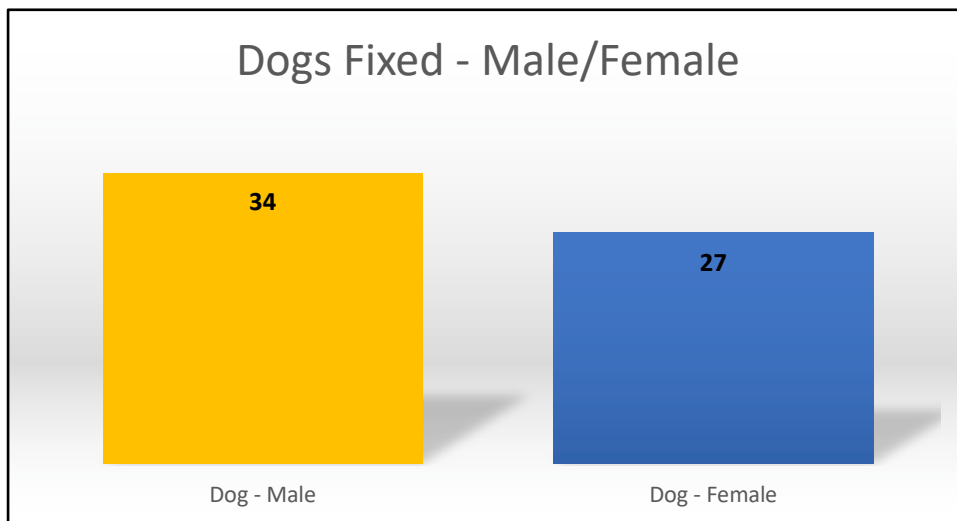

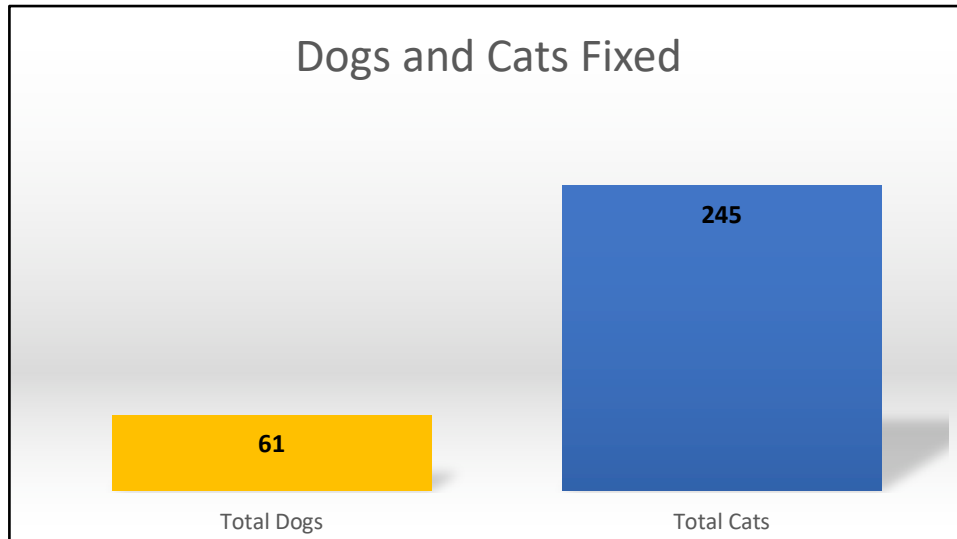

HF provides personalized service to all clients. We guide the client through every step of the way, from the application process to follow up after surgery. For many clients there is apprehension on having a pet fixed. We alleviate this, through our personalized care for every client.

We also seek to eliminate any obstacles that a client may face. For example, we offer carriers or transportation (free of charge). HF is a 100% volunteer run organization. Our only expenses are the cost for spay/neuter and vaccinations at IndyHumane's Downtown Clinic (456 N. Holmes Avenue, Indy 46222).

## Important Information

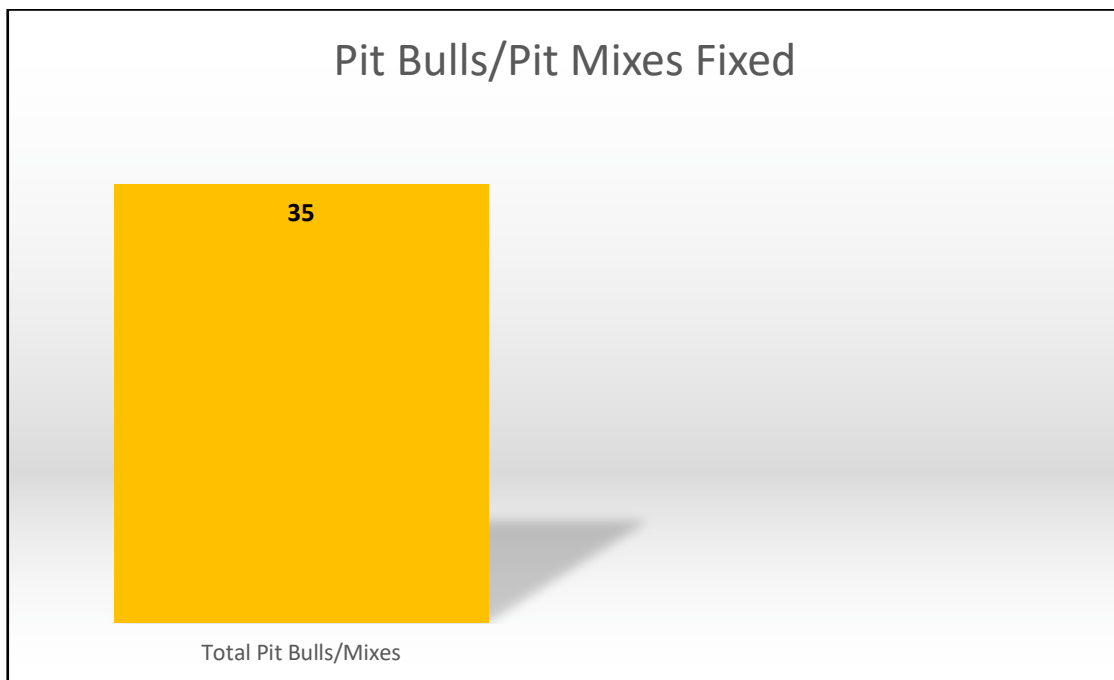

- Since our founding in September 2020, we have coordinated the spay/neuter of over 1,791 cats and dogs.
- In 2023, we coordinated the spay/neuter of 306 pets – 61 dogs and 245 cats.
- The average age of our client base is 38 years old with our oldest at 73 and youngest at 15 (with parent permission).
- Sixty-six (66%) percent of our referrals come from previous clients who have told friends or family about our organization.
- Forty-nine (49%) percent of 2023 clients are primarily renting their living spaces.
- Free transportation to/from IndyHumane was provided for 28 pets in 2023.
- We had 236 pets microchipped in 2023 (some pets were already chipped).
- Of the 306 pets fixed in 2023, we had vaccinations given to 286 of them. These pets received age-appropriate boosters and rabies vaccines.
- We partner with pet related organizations in 4 counties – Hendricks, Johnson, Marion & Morgan.

# Statistics for 2023

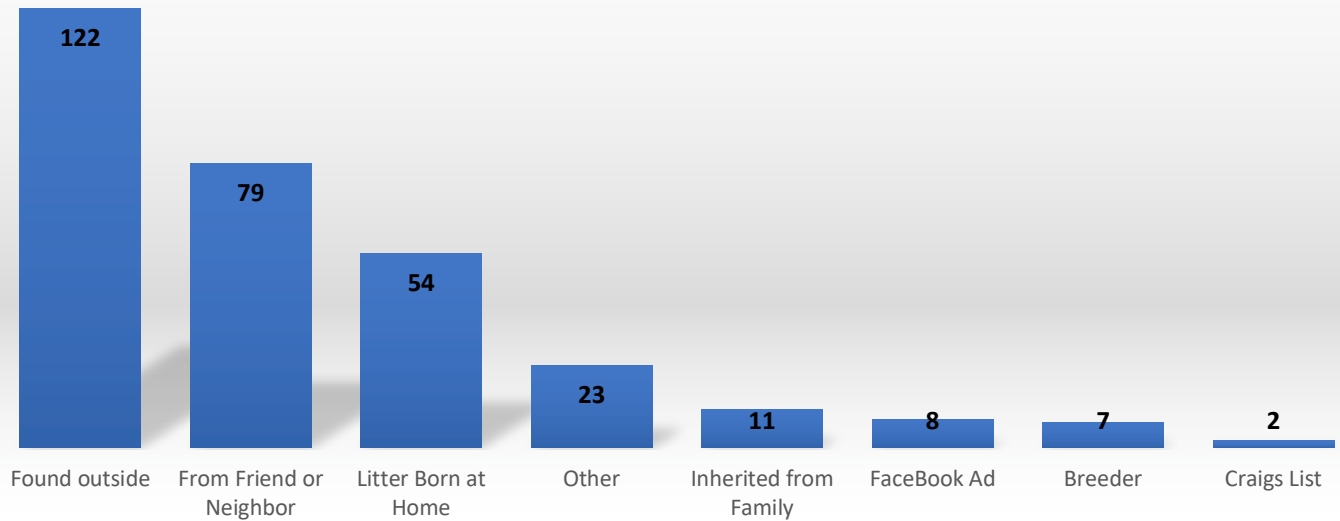

## Some of the Reasons for Owners Wanting Their Pet(s) Fixed

|   |   |
|---|---|
| “To be healthy, happy, and father no babies.”   | “I have female cat and don’t want extra cats.”  |
| “I want to prevent him from getting another dog pregnant.”                            | “Because her kind gets stolen so they can breed them and she’s not money to me - she’s my kid.” |
| “We live in a trailer park. There are enough cats that hang around outside as it is.” | “He is spraying!”   |
| “She is in heat a lot and gets very stressed.”  | “No puppies and calm her.”  |
| “I do not want her to get pregnant. I cannot afford any more animals.”                | “I will never have a chance like this again to get them all fixed.”                             |
| “Don’t want them (brother and sister) having kittens.”                                | “To help control the pet population.”   |
